## Our Alumni Speak

I am glad to inform you that I got placed in Invesco and I would like to sincerely thank Sripal Jain (CA, CPA) for helping me in the placement. I would heartfully express that Sripal is a wonderful mentor who seriously supported me during this process and encouraged me every time i became low. He is one of the honest and sincere guy who always cares about students and their future rather than being commercial in this business.

Krishna Kamal

Simandhar education is truly one of the best institutes for CPA coaching currently. Only institute to have face to face classes for CPA in India. Being partnered with Beckers CPA Review , they have well structured/organised product coupled with live classes which helped me clear all 4 modules of CPA exam in one go/first attempt.

Ahsan Khan

I would like to thank personally to Sripal sir, Dhanu madam and Suraj for their motivation and positive vibes.As all you aware I started CPA journey from 2015 and struggled twice with lack of information how to crack this exam.With all support from Simandhar team for your support and motivational words makes me to stick on continue with CPA. Now it makes me to stand perfect.Once again thanks to Sripal sir and Dhanu madam.

Gupta Ponasansanapalli

Sripal Jain (CA, CPA) to know the importance of hashtag#CPA and how it could help enhance one's career. While discussing with him - I realized that CPA ,CMA, BlockChain, DataAnalyst, CyberSecurity etc have great job opportunities in the Indian and International Markets.

Chantelle P

Finally the CPA journey is over! 4 sections and a long 8 months. it was all worth it. can't thank God enough. Thank you mom and dad for the love and faith. Huge thanks to Sripal Jain and Vishal Jain (Simandhar education) for their guidance and support all throughout.

Dhwani Renukuntala

It feels good to say that I am a Certified Public Accountant. It's an even better feeling to know that I completed it in less than 6 months. A lot of the credit goes to the software provided by Becker from which I studied all the 4 sections. The material was designed in a way to aid students get the conceptual clarity required for the exam. The tools for practice were quite useful in learning how to apply the theoretical knowledge.
